**COMPLAINT FOR VIOLATIONS OF
THE FAIR LABOR STANDARDS ACT
AND MIGRANT AND SEASONAL
AGRICULTURAL WORKER
PROTECTIONS ACT**

INTRODUCTION

The holiday season rings in temporary seasonal employment to mass produce décor, like wreaths, garland, and boughs of holly, to deck the halls of homes across the nation. Amid the demands of this busy holiday season, the nation’s laws stand to protect the workers of such seasonal labor. The Fair Labor Standards Act (“FLSA” or “Act”) requires employers to pay employees an overtime premium of one-and-a-half times the regular rate of pay for all hours worked over forty in a workweek. The H-2B provisions of the Immigration and Nationality Act (“INA”) require employers to comply with the FLSA and the FLSA’s overtime provisions. The Migrant and Seasonal Agricultural Worker Protection Act (“MSPA”) requires an agricultural employer to pay migrant agricultural workers their wages when due, as well as provide the safe transport and housing of workers when provided by the employer.

Contrary to these requirements, Defendants Continental Floral LLC, Jim Milgard, Jr., and Scott Schauer (collectively, “Defendants”) denied their employees overtime premiums despite working for more than 40 hours during the workweek, failed to provide workers with safe transportation to and from the worksite, failed to provide safe and healthy housing for migrant workers, and failed to disclose the required details of employment to workers under federal law. Defendants have harmed not only their own employees, but also law-abiding employers who face unfair competition in the marketplace due to Defendants’ illegal practices. The Acting Secretary brings this case to recover the wages owed to Defendants’ employees, to enjoin future violations, and to protect the significant public interest at stake.

NATURE OF THE ACTION

1. Plaintiff Julie A. Su, Acting Secretary of Labor for the United States Department of Labor (the “Acting Secretary”), is charged with enforcing the FLSA to eliminate “labor conditions

1 detrimental to the maintenance of the minimum standard of living necessary for health, efficiency,
2 and general well-being of workers[.]” 29 U.S.C. § 202(a).

3 2. She is also charged with enforcing the H-2B provisions of Section 214(c)(1) of the
4 Immigration and Naturalization Act (“INA”), 8 U.S.C. § 1184(c)(1), and its implementing
5 regulations to recover unpaid wages under the FLSA. *See* 20 C.F.R. § 655, Subpart A, and § 503.

6 3. The Acting Secretary is further charged under MSPA to “remove the restraints
7 on commerce caused by activities detrimental to migrant and seasonal agricultural workers . .
8 . and to assure necessary protections for migrant and seasonal agricultural workers,” including
9 ensuring proper and timely payment of wages earned. 29 U.S.C. §§ 1801, 1822(a).

10 4. In bringing actions under the FLSA, INA, and MSPA, the Acting Secretary
11 represents not only the interest of the individual employees affected by the employer’s
12 violations of the law, but also the broader public interest, including the interests of law-
13 abiding employers whose ability to compete is harmed by employers who pay their
14 employees unlawful wages.

15 5. In this case, the Acting Secretary seeks to enjoin Defendants from violating the
16 requirements of the FLSA and MSPA under Section 17 of the FLSA, 29 U.S.C. § 217, and
17 Section 502 of MSPA, 29 U.S.C. § 1852(a); *see also* 29 C.F.R. § 500.140(c).

18 **JURISDICTION AND VENUE**

19 6. This Court has jurisdiction over this action under Section 17 of the FLSA, 29
20 U.S.C. § 217 (injunction proceeding to restrain violations of Section 15 of the Act); Section
21 502 of the MSPA, 29 U.S.C. § 1852; 28 U.S.C. § 1331 (federal question); and 28 U.S.C. §
22 1345 (United States as Plaintiff).

1 7. Venue lies in the Western District of Washington pursuant to 28 U.S.C. §
2 1391(a) because Defendant Continental Floral resides in Shelton, Washington.

3 **DEFENDANTS ARE EMPLOYERS SUBJECT TO THE FLSA AND MSPA**

4 8. Defendant Continental Floral LLC, also known as Continental Floral Greens,
5 (“Continental Floral”) is a corporation organized and existing under the laws of Washington, with
6 its principal place of business at 681 E. Johns Prairie Road, Shelton, Washington 98584.
7 Continental Floral harvests and procures floral greens and uses them to produce various products
8 such as wreaths, garland, table centerpieces, decorative products, greenery for bouquets, and other
9 floral greens. Continental Floral sells its products across the United States, with operations in
10 California, Washington, Oregon, and Florida, selling products, particularly for the winter holiday
11 season, to retailers such as Costco, Trader Joes, Kroger, Ahold, Fresh Market, Publix, and others.
12 To provide these products, Continental Floral employs workers, including the employees named in
13 **Exhibit A**, who were harvesters engaged in the cutting of natural greens in the forest grown on
14 Continental Floral property for shipment to Continental Floral’s several production facilities
15 located in Toutle, Washington; Belfair, Washington; Shelton, Washington; and Forest Grove,
16 Oregon. Continental Floral employees, including those listed in **Exhibit A**, were also production
17 workers engaged in the manufacture of wreaths, garland, and other products involving greens, or
18 sorted, stored, and shipped the company’s products.

19 9. Defendant Jim Milgard, Jr. (“Milgard”), who also goes by James Milgard, Jr., is the
20 founder, sole owner, and Chief Executive Officer of Continental Floral. At all relevant times,
21 Milgard acted directly or indirectly in the interest of Continental Floral in relation to its
22 employees, including hiring, firing, and supervising employees, and determining other
23 employment decisions. As a result, he is individually liable as an employer under Section 3(d) of
24

1 the FLSA, 29 U.S.C. § 203(d), for back wages and liquidated damages owed to Continental
2 Floral's employees.

3 10. Defendant Scott Schauer is the General Manager of Continental Floral's Pacific
4 Northwest operations. Schauer directly and indirectly hired employees as the authorized
5 representative for Continental Floral in all labor certification matters workers involved in this
6 suit as he is listed as the main point of contact for Continental Floral in the Temporary
7 Employment Certifications (Form ETA-9142B or "TEC") that brought the workers into the
8 United States to work for Continental Floral. Schauer signed the Employer Declaration to
9 Form ETA-9142B, certifying under penalty of perjury that Continental Floral will, along with
10 other terms, comply with all applicable provisions of the FLSA and will not place any H-2B
11 workers employed under the TECs outside the area of intended employment or in a job
12 classification not listed on the TEC unless it had obtained a new approved Form ETA-9142B.
13 In determining core employment decisions, Schauer is individually liable as an employer
14 under Section 3(d) of the FLSA, 29 U.S.C. § 203(d), for back wages and liquidated damages
15 owed to Continental Floral's employees.

16 11. Defendants are agricultural employers as defined by 29 U.S.C. § 1802(2) as
17 they are a corporation and persons who own and operate a farm, processing establishment,
18 and packing shed, and who recruit, solicit, hire, and employ migrant agricultural workers to
19 handle, plant, pack, and process products prior to delivery for storage of agricultural or
20 horticultural commodities in its unmanufactured state. As a result, Defendants are liable as an
21 agricultural employer under 29 U.S.C. § 1822(a) to pay wages owed to Continental Floral's
22 employees.

DEFENDANTS' EMPLOYEES ARE ENTITLED TO
THE WAGES AND PROTECTIONS OF THE FLSA AND MSPA

12. At all relevant times, Milgard and Schauer operated and controlled Continental Floral for the common business purposes of providing products harvested and manufactured with greens across the United States, including in, but not limited to, California, Washington, Oregon, and Florida. As a result, Continental Floral is and has been an “enterprise,” as defined in Section 3(r) of the FLSA, § 29 U.S.C. § 203(r), with business activities that are related and performed through unified operation or common control for a common business purpose.

13. At all relevant times, two or more Continental Floral employees regularly and routinely handled or otherwise worked on goods or materials that have moved in or have been produced for commerce, including (1) cutting natural greens on Continental Floral property, (2) shipping the greens to Continental Floral’s production facilities including, but not limited to, Toutle, Washington; Belfair, Washington; Shelton, Washington; and Forest Grove, Oregon, (3) manufacturing wreaths, garland, and other decorative products involving greens, and (4) sorting, storing, and shipping the manufactured products to retailers across the United States. At all relevant times, Continental Floral had a gross annual revenue of over \$1,000,000.00. As a result, Continental Floral is and has been engaged in commerce or in the production of goods for commerce within the meaning of Section 3(s)(1)(A) of the FLSA, 29 U.S.C. § 203(s)(1)(A), in that Continental Floral, at all relevant times, had employees engaged in commerce or in the production of goods for commerce, or employees handling, selling, or otherwise working on goods or materials that have been moved in or produced for commerce, and had an annual gross volume of sales of not less than \$500,000.00.

14. At all relevant times, Continental Floral employees identified in **Exhibit A** engaged in agricultural employment, defined by 29 U.S.C. § 1802(3) as employment in any service or activity including within the provisions of Section 3(f) of the FLSA, 29 U.S.C. § 203(f), or Section 3121(g) of the Internal Revenue Code, 26 U.S.C. § 3121(g), and the handling, planting, packing, packaging, or processing prior to delivery for storage of any agricultural or horticultural commodity, such as greens, in its unmanufactured state. These employees engaged in agricultural employment of a seasonal or other temporary nature and were required to be absent overnight from their permanent residence since they were brought to work in the United States for Continental Floral through approved TECs completed and signed by Schauer. *See* 29 U.S.C. § 1802(8).

FACTUAL ALLEGATIONS COMMON TO ALL CLAIMS

15. On or around August 3-10, 2022, Continental Floral secured three Temporary Employment Certifications (“TECs”) to solicit, recruit, and employ over 500 H-2B workers at Continental Floral’s Pacific Northwest operations for the 2022 Fall and Winter season with the following details:

- Contract 1 (H-400-22186-332556)
 - Number of workers requested/certified: 60
 - Occupational title: Floral Designers

 - Rate of pay: \$15.57
 - Place of employment: Forest Grove, OR (Portland-Vancouver-Hillsboro, OR-WA)

16. Continental Floral remained silent on providing H-2B workers with housing and transportation to and from Continental Floral's worksites in the aforementioned TECs.

17. On November 2, 2022, a Continental Floral employee, without a designated medical certification as required by 29 C.F.R. § 500.105, transported workers eastbound on the highway towards one of Continental Floral's worksites. The driver swerved off-course, crossing the center lane of the highway and across the westbound lane and shoulder. The vehicle halted only once it struck a tree. Four individuals sustained serious injuries, including one worker that required surgery on the same day as the accident, and another that required surgery on the following day. One employee was so severely injured that they were unable to work for the rest of the employment period under the TEC. On November 7, 2022, Washington State Police cited the driver for Negligent Driving in the 2nd Degree.

18. Shortly after, the Wage and Hour Division ("WHD") of the United States Department of Labor began investigating possible violations of the safe transportation provisions for workers under the INA, MSPA, and their implementing regulations. The investigation uncovered violations that exceeded beyond the possible factors resulting in the November 2, 2022 accident. The Acting Secretary's investigation resulted in findings of wage, housing, and disclosure violations under the FLSA, MSPA, and their implementing regulations as described below.

1 19. First, the Acting Secretary found that workers employed under H-2B Temporary
2 Employment Certifications (“TEC”) worked more than the 40 hours per workweek specified in
3 Defendants’ TEC Applications. The Acting Secretary found that H-2B workers employed for
4 more than 40 hours per workweek were not paid overtime premiums as required under Sections 7
5 and 15(a)(2) of the FLSA, 29 U.S.C. §§ 207, 215(a)(2), and H-2B Implementing Regulations under
6 20 C.F.R. § 655.20(z) and 29 C.F.R. § 503.16(z).

7 20. Second, the Acting Secretary found that Defendants did not pay wages owed to
8 workers when due as required by Section 202 of MSPA, 29 U.S.C. § 1822.

9 21. Third, the Acting Secretary found that, in violation of Section 401(b), 29 U.S.C. §
10 1841(b), Defendants provided workers unsafe transportation to a designated worksite, whereby an
11 accident involving workers occurred on November 2, 2022; the vehicle was operated by a driver
12 hired by Defendants and who had no valid medical certificate to operate the vehicle contrary to
13 Section 401(b), 29 U.S.C. § 1841(b).

14 22. Fourth, the Acting Secretary found Defendants did not ensure safety and health
15 standards were met regarding the housing offered to workers as required under Section 203 of
16 MSPA, 29 U.S.C. § 1823.

17 23. Fifth, the Acting Secretary found that Defendants did not disclose the intended rate
18 of pay, the terms and conditions of transportations offered by Defendants, and the terms of
19 conditions of housing offered by Defendants as required under Sections 201 and 403 of MSPA, 29
20 U.S.C. §§ 1821, 1843.

21 24. The Acting Secretary found that Defendants did not disclose required information
22 in their TEC Applications as required under 29 C.F.R. § 503.16. In particular, despite taking the
23
24

1 following actions once workers began their job duties, Defendants did not disclose the following
2 in their TEC Applications:

- 3 a. Defendants intended to provide daily transportation to and from worksites;
- 4 b. Defendants intended to provide housing to workers employed under the TECs;
- 5 c. Defendants intended to employ workers for hours exceeding those reported on
6 the TEC.
- 7 d. Defendants intended to pay piece rate wages for particular job duties.

8 25. The Acting Secretary brings this action to recover wages owed under the FLSA
9 and MSPA and enjoin Defendants from future violations of these statutes.

16 safe and healthy housing requirements but nevertheless housed migrant agricultural workers
17 without meeting Federal and State safety and health standards and acquiring the relevant
18 certifications.

19 **FIFTH CLAIM FOR RELIEF**

20 **Failure to Provide Required Information to Migrant Agricultural Workers**

21 38. The Acting Secretary realleges and hereby incorporates by reference the foregoing
22 paragraphs as though fully set forth herein.

39. Defendants violated and continue to violate Sections 201 of MSPA, 29 U.S.C. § 1821, by failing to disclose to migrant agricultural workers their place of employment, intended rate of pay, the terms and conditions of transportation offered by Defendants, the terms and conditions of housing offered by Defendants, the basis on which wages are paid, the number of piecework units earned, the number of hours worked, the total pay period earnings, the specific sum withheld and the purpose of each sum withheld, and the net pay.

40. At all relevant times, Defendants knowingly provided false or misleading information to migrant agricultural workers concerning the terms, conditions, or existence of agricultural employment required to be disclosed by Section 201 of MSPA, 29 U.S.C. § 1821.

PRAYER FOR RELIEF

WHEREFORE, good cause having been shown, the Acting Secretary prays for judgment against Defendants as follows:
